

Subject Code	Course Needed for other programs	Program Requirement	Program Limited Distribution Requirement
CHEM	CHEM 105 General Chemistry I	Biology BA and BS; Environmental Science; Exercise Science/Pre Professional, Geology BA and BS; Childhood Ed Chemistry Spec; 3/2 Engineering with Clarkson	CIS BS
CHEM	CHEM 106 - General Chemistry 2	Biology BA and BS; Environmental Science; Exercise Science/Pre Professional, Geology BA and BS; Childhood Ed Chemistry Spec; 3/2 Engineering with Clarkson	CIS BS
CHEM	CHEM 341 - Organic Chemistry 1	Biology BS;	Childhood Ed Chemistry Spec
CHEM	CHEM 342 - Organic Chemistry 2	Highly recommended for Biology BS	Childhood Ed Chemistry Spec
CHEM	CHEM 425 - Biochemistry 1	highly recommended for the pre-med and pre-health sciences concentration	
CHEM	CHEM 320 - Environmental Analysis	Environmental Science;	Environmental Studies
CHEM	CHEM 301 - Chemistry and the Environment		Childhood Ed Chemistry Spec/Physics Spec

CHEM	CHEM 315 - Forensic Science		Childhood Ed Chemistry Spec/Physics Spec
CHEM	CHEM 311 - Quantitative Analysis		Childhood Ed Chemistry Spec
CHEM	CHEM 304 - Chemical Laboratory Techniques		Childhood Ed Chemistry Spec
PHYS	PHYS 103 - University Physics I OR PHYS 101 - College Physics I	Biology BS; Geology BS; Childhood Ed Physics Spec; 3/2 Engineering with Clarkson	CIS BS;
PHYS	PHYS 104 - University Physics II OR PHYS 202 - College Physics II	Biology BS; Geology BS; Childhood Ed Physics Spec; 3/2 Engineering with Clarkson	CIS BS
PHYS	PHYS 205 - University Physics III	3/2 Engineering with Clarkson	
PHYS	PHYS 306 - Modern Physics	3/2 Engineering with Clarkson	
PHYS	PHYS 130 - Musical Acoustics	Childhood Ed Physics Spec	
PHYS	PHYS 330 - Meteorology	Adolescent Science Ed Option A; Childhood Ed Physics Spec	Environmental Studies; Childhood Ed Geology Spec
PHYS	PHYS 335 - Astronomy	Adolescent Science Ed Option A; Childhood Ed Physics Spec	Childhood Ed Geology Spec
GISC	GISC 101 - Geographic Information Systems		Childhood Ed Geology Spec
GISC	GISC 301 - Data Acquisition & Management		Environmental Studies

GISC	GISC 302 - Remote Sensing		Environmental Studies
GISC	GISC 401 - Spatial Problems and Analysis		Environmental Studies
CIS	CIS 201 - Computer Science I	Physics BA; 3/2 Engineering with Clarkson	
COMM	COMM 105 - Survey of Human Communication	English: Literature/Writing	
COMM	COMM 201 - Mass Media and Society	English: Literature/Writing	
COMM	COMM 206 - Business and Professional Communication		Arts Management
COMM	COMM 311 - Small Group Communication		Arts Management
COMM	COMM 325 - Professional Speaking		Arts Management
COMM	COMM 340 - Public Relations		Arts Management
COMM	COMM 430 - Employment Seeking and Communication		Arts Management
COMM	COMM 455 - Organizational Communication		Arts Management
ARTH	ARTH 101 - Survey of Art: Ancient to Renaissance	Art Studio BA; Visual Arts BFA; Graphic Design and New Media BA/BFA; Archeological Studies	Arts Management
ARTH	ARTH 102 - Survey of Art: Renaissance to Modern	Art Studio BA; Visual Arts BFA; Graphic Design and New Media BA/BFA;	Arts Management; Archeological Studies
ARTH	ARTH 300 or 400 level Art History Elective	Art Studio BA; Visual Arts BFA; Graphic Design and New Media BA/BFA;	
ARTH	ARTH 464 - Foundations of Modern Art	Graphic Design and New Media BFA; Visual Arts BFA	
ARTH	ARTH 310 - Greek Art and Architecture		Archeological Studies
ARTH	ARTH 311 - Roman Art and Architecture		Archeological Studies

ARTH	ARTH 351 - Late Antique Art		Archeological Studies
ARTH	ARTH 385 - Art and Archaeology of the Classical World		Archeological Studies
ARTH	ARTH 451 - Ancient Painting		Archeological Studies
DRAM	DRAM 312 - History of the Theatre I		Arts Management
DRAM	DRAM 313 - History of Theatre II		Arts Management
DANC	DANC 320 - 20th/21st Century Dance History		Arts Management
ML	FREN 203 - Oral and Written French I		International Studies
ML	ARAB 203 - Oral & Written Arabic I		International Studies
ML	SPAN 102 -		International Studies
	SPAN 103		International Studies
ML	SPAN 203 - Oral and Written Spanish I		International Studies

Program Limited Elective	Highly Recommended for these programs	Frequency of offering
		every year/fall
		every year/spring
Environmental Science	recommended for Exer Science pre-professional track if pursuing graduate school as a PT, OT, or PA	every year/fall
Environmental Science	Highly recommended for Biology BS; recommended for Exer Science pre-professional track if pursuing graduate school as a PT, OT, or PA	every year/spring
		every two years/fall
		every two years/fall
		every two years

		every two years
